3. Eligibility

To be eligible the skater must be member of a national speed skating federation recognized by the ISU and must have a license of his/her federation.

4. Participants limitation

The competition is restricted to 200 skaters. The following nations' quota list was defined and confirmed by the IMSSC Members:

CAN	4	ITA	8	SWE	6
FIN	10	NED	67	USA	5
GBR	3	NOR	32	Others	12
GER	34	RUS	19	TOTAL	200

5. Limit Times

According to IMSSC Rule 3.1.6, every participant has to inform the national IMSSC Member of his (her) most recent time on the 500 m. It is the responsibility of the IMSSC Member to accept the times. If the applicable time (500 m for the Sprint Games) does not meet the Maximum Time as laid down in Rule 3.1.7 (Maximum Time Table – see below) the participant cannot take part in the Sprint Games unless the national IMSSC Member decides otherwise in a written consent.

Age Group	maximum time

Men 80	1.12.00
Men 85	1.17.00

6. Drawing, Classification

Drawing will be held on January 28th 2022, Friday, at 11.30, at the stadium in the office 1st floor (Reichenhaller Straße 79, 83334 Inzell).

On the first two distances, before drawing, skaters shall be seeded in three groups, according to their best times of the current season, their best times of last season or their estimated times. The seeding occurs per age group or per joined age groups. Drawing shall be done according to ISU Rule 242, paragraphs 2 and 3, with the exception that all competitors will be admitted in the last distance. If more than 100 participants are competing, they shall be divided into two or more blocks of five-year age groups. The first block completes its two distances before next block, and so on. This will reduce waiting time between the two distances.

Generally the age groups are drawn separately. If the number of competitors is very small in one or several of the five year age groups, neighbored 5 year age groups may be joined for drawing and speedskating. But the allotting of track on the third distance is decided by the ranking after two distances for each 5 year age group, and not by the ranking in the joined, neighbored groups. The final distance drawing and classification must be done in her/his own age group independent of the number of participants in that age group.

A skater who completes all distances successfully and obtains the lowest total of points in his/her five-year age group wins the four-distance competition in that group.

7. Prices and Minutes

All participants, who skate successfully the four distances contest, obtain a certificate, a medal and minutes including end times. The Complete Protocol (including start times, lap times, accumulated lap times and end times) can be found on the website <https://www.dec-inzell.de>.

For the sake of the environment, we will only produce a few printouts. If you would like a printed certificate, a medal and printed Protocol, please sign up for it with your name on the following website: <https://bit.ly/MastersSprintGames22>
